WELCOME TO VISIT CLINIC HR

★ INTRODUCTION

Human Resources Management (HRM) is a multifaceted discipline that involves the strategic management of people within an organization to enhance its performance and competitive advantage. It encompasses a wide range of activities, including the recruitment, hiring, training, and development of employees. HRM is also responsible for designing compensation and benefits systems, ensuring compliance with employment laws, and fostering a positive work environment that aligns with the organization's goals and culture.

VISION AND MISSION

OUR VISION

> **Provide good online service**

Providing easy-to-use services and facilitating self-service and training staff thoroughly are key components.

> **Meet client expectations**

Meeting client expectations involves understanding and delivering on the needs and goals of clients in a professional setting.

OUR MISSION

> **Support the users with reliable and easily accessible health care information**

Providing users with trustworthy, accurate, and easy-to-find health care information to help them make informed decisions about their health and well-being.
